

Alan Macro has lived in Theale for twenty-one years and is West Berkshire Councillor for Theale. He is also a Theale Parish Councillor. He has previously served as a District Councillor on Newbury District Council and as chairman of Theale Parish Council. Alan is a governor of Theale Green Community School.

Alan's priorities for Theale and the East...

-  Supporting the delivery of a new sixth form block for Theale Green School.
-  Campaigning for a swimming pool to serve Theale, Calcot and Birch Copse.
-  A library for Tilehurst would reduce the difficulties residents have in getting to Pangbourne and Theale libraries.
-  A long-term car park for Theale.
-  Improving the maintenance of Theale's roads and footpaths, and in particular those on 'safer routes to school'.
-  Increasing the numbers of neighbourhood wardens on Theale's streets.
-  Introducing an additional Young Families Group to serve the east of the district.
-  Plastic and card kerbside recycling.

Alan Macro's manifesto for Theale is part of a host of wider manifesto pledges made for West Berkshire as a whole by the Liberal Democrats.
